Examiner Kumar,

Attached is a copy of the response to the Office Letter mailed on August 2, 2007 in the above-identified application. Our records indicate that this response was filed on October 2, 2007. The response was filed via facsimile. However, I do not have the confirmation receipt from the USPTO. I am not sure of the circumstance and whether there were problems with the transmission. I did receive a call from the examiner on this matter. Our record indicated that there was a prepared response and I thought the matter had been resolved. I did not realize that the case had been abandoned until I discovered it during a recent docket update. I am requesting that the abandonment status be withdrawn and the prepared response be considered and examined. Thank you in advance for your consideration and cooperation in this matter.

Regards,

Darcell Walker: Reg. 34945
